Vern was a great guy. He was someone I could relate to in my early years. I remember when we got a few truckloads of brick from the abandoned convent which we spread out in the Isham driveway. Good hard work that we both enjoyed. Condolences to the family and remember the good times.

Vern will be greatly missed by his Home Park family. He was a

fixture on the boulevard, always ready for a good conversation. If you happened to be a dog walker, you were in for extra special treatment. He has spoiled "Winston" rotten for many years now with treats too numerous to mention. Winston and I have lost a very dear friend. Extending deepest sympathy to his family. Until that time Vern.

To the family of Verne,

I am sorry for your loss and my prayers are with you as you walk

through this time of grief.

I enjoyed my conversations with Verne. He was a great neighbor to all of my tenants. I will miss seeing him on his deck and chatting with him when I come to Home Park Blvd.
