To the Nieman family I extent my deepest Sympathy for your loss. To Chris I want to say that you were the best son he could have ever ask for. He loved you with all his heart and appreciated every thing you ever did. He is with you everyday still and watches over you with pride. May God bless you and all his family at this time and in the future when things get tough for you. Know that he no longer suffers and finally can smile and do all the things he could no longer do on earth but is all possible in heaven.

I knew Seth through my brothers, Shawn & Shannon McRoberts. They too are gone now, and I know that the 3 of them are fishing right now. My brothers loved Seth like a brother and I had nothing but respect for him. He was one of the truly great people that you only meet once in a life time. My prayers go out to the Nieman family, Chris, & Mary.

Seth you will be missed. The fish, mushrooms, I bought and beer you always shared and conversations in your porch, made our friendship special. I had NO idea you were in so much pain, youre pain free now. R.I.P.
